

We're pleased to confirm that OLQOH will once again be running a Summer Camp this year, from Friday 24th July to Friday 31st July.

The camp is open to all year groups, with daily sessions running from 9.30am to 2.15pm.

Children can look forward to a wide range of activities, including:

- Orienteering
- Sports and games
- Arts and crafts
- Computing

To round off the week, there will be a water battle on Friday 31st July, which is always a highlight!

Cost: £25 per session. For more details or to book a place, please speak to the school office team.

'On Monday 11th May OLQOH attended a Y2 girls football festival at St Wilfrid's Secondary School in Crawley.

The event was run by young leaders from St Wilfrid's who organised all the activities, taught the children and then refereed some simple games at the end.

We played outside on the netball courts. It was set up with several activities which the children rotated around. After the activities, there was a 10 minutes rest for drinks and snacks.

The activities included dodging & marking skills, dribbling skills, passing skills and shooting skills. The young leaders did a very good job of explaining, demonstrating and organising the children at each activity.

After the rotation the girls stayed with their own classes and played some very simple friendly games to help them learn a little about the rules.

Despite the really cold weather and occasional rain, the children all thoroughly enjoyed themselves worked well with lots of effort, energy and enthusiasm.

Many thanks to Mrs Ward, OLQOH staff and parents for all support.' (Ann Westgate)

Discovery Week

Discovery Week 2026 will be taking place from Monday 13th July.

There are many fun and exciting activities planned for this year's Discovery event, including Rock Climbing, Silent Disco, Boogie Bounce, Jolf and Circus Skills.

To allow us to make Discovery Week possible, OLQOH has applied for funding and the Governors and Friends of School also contributing to cover costs. However, we do require some support from Parents and Carers, and are requesting a £17.50 voluntary contribution from each pupil, please (green card payments acceptable).

Payments can be paid via Parent-Mail and are due by 4/7/26, please. As ever, Discovery week will climax with Sports Day on 17/7/26. Details to follow.
