

Year 5 Showcase Project: "My Year of Learning"

Your Challenge

Over the past year, you have learnt so many new skills, facts, and ideas across different subjects. Your challenge is to create a presentation that celebrates your learning and shows what you are most proud of.

You can present your work in **one of three ways**:

- **A3 or A4 poster** (handwritten and illustrated)
- **Computer presentation** (e.g. PowerPoint, Google Slides, Canva, or similar)
- **Poem** (Needs to be at least an A4 page)

What could you include?

Choose the learning that meant the most to you. You might include:

- 📖 **Literacy** – Annie Edson Taylor, The Darkest Dark, Radiant Child
- 🔬 **Science** – an experiment, investigation, Forces, Space, Life Cycles (Chicks), Rockets
- 🌍 **Topic/History/Geography** – interesting facts, Greeks, Saxons, Invasion, Sow Grow, Farm (Fork to Farm)
- 🎨 **Art or DT** – artwork, designs, making clay pots, creating masks
- ➗ **Maths** – a skill or challenge you mastered.
- 💻 **Computing** – coding, online safety, Vector Art

Make it your own!

Be creative! You could include:

- Speech bubbles
- Timelines
- Mind maps
- Comic strips
- Quiz questions
- Lift-the-flap sections (if using paper)

This will be our last homework task.

Please complete by next Friday 17th July- some of these (if willing) can be presented on Monday 20th July.
