

Yasmin looked at the display of glossy plastic and brushed metal. "I can't choose," she said. The shop assistant pointed at a phone with a rose-gold case. "This one has an excellent camera," she said. Her name tag read: Naomi. "You like taking photos," prompted Yasmin's mum. "But Dina has that phone, and she says it's superb," said Yasmin, gesturing at a smaller black handset. "It downloads things really fast." "I'm not sure about that," said Yasmin's dad. "You won't have unlimited data." "This phone has an impressive data allowance, unlimited messages, and two cameras," said Naomi, taking a silver phone from its holder. She put it in Yasmin's hand. "Why not try it?". Yasmin pushed a few buttons, then looked at the rose-gold phone. "I can't decide." "We're closing in half an hour," said Naomi.
