QUICK COMPS - LIKES AND SHARES

"Noooooooo!" shouted Jaden, slamming down his phone. "What's up?" said Dad, sitting down on the sofa and ruffling Jaden's hair. "Dad, watch it!" Jaden folded his arms and slumped."My skateboarding video had eight likes earlier, and now it only has seven. Someone unliked me!" "Well, Jaden, they didn't unlike you, just the video. And it might be some sort of glitch or technical error." "It took Stefan five attempts to video that trick," muttered Jaden."I fell off twice, you know. I worked for those eight likes!" "But you performed the trick successfully," said Dad,"and your friend Stefan filmed it, and now people can learn from you. Isn't that more important than likes?" "I suppose it might be," said Jaden.
