MATCH REPORT

Netball Festival Y5&6 Thursday 16th January 2025

'A group of 9 Year 5 and 6 children attended a netball festival on 16/1/25 at ICC. The event was run by students who taught skills, organised the teams and then refereed the friendly matches after the drill sessions.

There were a carousel of activities covering dodging, marking, spatial awareness, throwing, catching, shooting and movement skills. The children rotated around the activities, spending 15 minutes at each task. After a short break the children got into teams and played friendly, non-scoring matches to learn about rules, positioning, tackling and the most important of all, communication and supporting one another.

The children all worked well together during both the skill sessions and the matches, demonstrating energy and enthusiasm, resilience and determination. I was very pleased with their behaviour generally, their hard work and their support for one another.

Many thanks as always to staff and parents for their support.'
