

## MATCH REPORT

'On 28/2/25 OLQOH attended the Sussex County Football Finals.

There were 9 teams present so everyone played 8 x ten minute matches.

The tournament was very well run with qualified referees using the county ground pitches.

Our results were as follows:-

vs Battle and Langton 1-0

vs Bishop Tufnell 0-0

vs St Mary's Pulborough 0-0

vs Balfour 1-1

vs Rotherfield 1-1

vs Thomas Becket 1-0

vs Crawley Down 1-0

vs Tollgate Junior School 0-0

We had 3 wins and 5 draws with zero losses. We came 3<sup>rd</sup> overall with 14 points only 2 points behind the winners St Mary's, Pulborough.

The standard on the day was extremely high (as expected) and our boys rose to the occasion and all played very well. They demonstrated great determination, gave 100% effort, showed amazing resilience to fight back when beaten and never gave up. Each and every one played to the best of their ability and once again demonstrated fabulous team work supporting each other both in attack and defence.

We had incredible goal keeping from Tommy and outstanding work from Daniel all over the pitch. Oliver played out of position in some games and proved to be an excellent defender. I am proud of all the boys for their efforts, attitude and sportsmanship.

Many thanks to Mr Watson who drove the mini bus, Mr Adams who coaches the team and all parents and carers, many of whom travelled all the way to Lancing to support us – very much appreciated.'
