

## Y6 Basketball Match Report

'On Thursday 19<sup>th</sup> December OLQOH attended a Basketball Tournament at ICC with a mixed Y6 team.

There were 2 sections with everyone playing all teams in their section. The top 2 teams from each section played in a final, with the second 2 teams playing for 3<sup>rd</sup> and 4<sup>th</sup> places. The games were 6 minutes one way. Baskets were scored as 2 points.

Our results were as follows:

OLQOH vs Three Bridges draw 0-0

OLQOH vs Northgate win 6-0

OLQOH vs St Margarets win 6-2

OLQOH vs Milton Mount win 4-0

OLQOH vs Gossops Green win 8-0

We won our group and went on to play Maidenbower in the final. The result was an 8-2 win for OLQOH.

The team played really well, working very hard and showing great determination, resilience and support for each other. They were very good in both attack and defence. We had outstanding play from Tommy and Oliver with excellent team spirit throughout the whole team.

Many thanks to parents & carers, staff and special thanks to Miss Riley for their support.

## School Lunches

As you know, all children in Reception, Year 1 and Year 2, are entitled to a free school meals regardless of household income. This is paid for by WSCC and OLQOH.

We understand that things change and on occasions there will be good reason for this, but to avoid waste and to save money, please only book meals you intend to take up. And on occasions where your child is booked in for a hot meal but you decide to send a packed lunch instead, please let the School Office know by 10am ([office@olqoh.com](mailto:office@olqoh.com)) so we can run lunchtime service as efficiently as possible.

For packed lunch pupils, please remember that OLQOH is a nut free school.

## Application Deadline 15/1/25

The deadline for applications for school children due to begin school in September 2025 is 15/1/25.

Please remember that we need both an OLQOH application and an application to WSCC.

For help with applications, please see the Office Team before 4pm on Tuesday. Thank you.

## Inset Day

Our next Inset Day is 14/2/25. This day is set aside for First Aid Training and RE Training.

Recommencing next week. Please note there are SPACES available to join Fizz Pop Science Club each Tuesday.

Y6 Tuition also begins next week.
