

OLQOH Girls Football Tournament

'On Friday 6th June OLQOH held our annual football tournament on the Field.

There were 6 teams present split into 2 groups of three schools.

Each team played the 2 other teams in their own group twice - 8 minute games, one way, totalling 4 matches each at the group level.

The winners of group 1 played the runners up of group 2, with the winners of group 2 playing the runners up of group 1 in the semi final matches.

The 2 winning teams then completed the tournament by playing a final against each other.

Our results were:

OLQOH vs Gatwick win - 1-0

OLQOH vs Gossops Green win – 2-0

OLQOH vs Gatwick loss – 0-3

OLQOH vs Gossops Green win – 2-0

We were runners up in our group on goal difference, winning 3 of our 4 matches which was such an achievement!!

We then played St Francis in a semi-final which we lost 0-2.

The winners of the other semi-final were St Roberts.

The final was between St Francis and St Roberts. This ended up as a 0-0 draw.

3 penalties were taken to decide the winners.

The winning team for 2025 was St Francis – 2-1 on penalties.

Our team of girls gave so much for us, they were determined, resilient, courageous and worked SO hard.

Every single one of them gave 100% effort, supporting each other really well and showing great respect for the opposition and the adults present. I could not be more proud of each and every one of them.

Many thanks to the OLQOH Staff, Chelsea Staff (who refereed the event), Parents, Carers and Staff from other schools for all of their support.' (Ann Westgate).
