

Match Report from Girls League Football Matches

Reports from Ann Westgate (Sports Coach)

'On Thursday 25th November our girls football team played their second round of league matches at ICC.

Our first game was against The Gatwick School. We started off very well with a lot of attacking and two chances on goal. Gatwick defended well and managed to keep the ball out of the goal. They countered with some very good, strong attacking play and despite some hard work from our defence they scored 2 goals. We lost the game 0-2.

Our second game was against The Mill. This was a very evenly matched game with good attacking and defending from both teams. The girls showed some good resilience and determination in this game which ended up a 0-0 draw.

Our third game was another well-matched game against Northgate. They had some very strong attacking forwards who put us under pressure early in the game. Despite some really good defending they scored quite quickly. We countered with lots of attacking play from the whole team and were eventually rewarded with an equaliser. Both teams worked hard to secure the winning goal but the game ended 1-1.

I was very proud of how hard the girls performed.

Many thanks as always to staff, parents and carers for their continued support.'

PARISH NEWS

For details of Parish liturgies and events through Advent and over the Festive period, please visit www.crawleycatholic.church

Lost property

This is being cleared on 20/12/24. Any unnamed and unclaimed items will be given to charity.

Starting School in September 2025

Now taking applications for children beginning school in September 2025. Please remember to apply to WSCC and OLQOH. The deadline for applications is 15/1/25.

Mobile phones and smartwatches

Mobile phone and smart watch technology has advanced significantly over the last few years and continues to evolve. Many phones and smart watches now offer internet and e-mail access, alongside standard functions of messaging, camera, video and sound recording.

Smartwatches are therefore not permitted to be worn to school, as staff are unable to monitor them closely enough to ensure they are being used appropriately. However, in line with our passion for helping children to tell the time, a standard analogue or digital wrist watch may be worn. If you are unsure whether your child's watch is appropriate, please speak to the office or a member of the SLT on the gate.

Netball Match Report

'On 21/11 we attended a netball tournament at K2. There were two groups with 7 schools in each group. The teams played everyone in their own group, 6 matches of 8 minutes, changing ends and positions after 4 minutes.

We ended up second in our group and had to play The Gatwick school in the semi-final – we won that game 4-2

We then played Maidenbower in the final and won the game 3-2. We now go on to represent Crawley in the next round.

Many thanks to staff, parents and carers for their support.' (Ann Westgate)
