'On 21/10/24, St. John's class enjoyed a rugby skills festival at Crawley Rugby Club. The children were respectful, polite and great representatives of our school. Here are a few things that some of the children reported after the festival:

"I learnt that in rugby (contact) you are allowed to take people to the floor. We found the festival exciting and enjoyable; my absolute favourite part was that we all got drenched in wet, sticky mud." Rohan

"The experience was thrilling as we learnt how to tackle, defend and did some training drills, the whole event was really exciting and fun because we learnt new things that we hadn't known before. The leaders, who were showing us around, were really supportive, kind and helpful, even if we did something wrong. I liked the atmosphere that made everyone feel welcome." Francesca

"I could not wait for the next activity; we had to get really muddy. When it was game time, we had to run up and down. I managed to score one and I just ran, it was my time." Zain

I was so impressed with the children's resilience. Well done to everyone that got involved and pushed themselves out of their comfort zones.' (Miss Lee)
