'OLQOH took 2 hockey teams to a hockey tournament on Thursday 17th October.

There were 2 groups with the orange team playing in group 1 and the green team playing in group 2.

Both teams had 7 matches to play within their groups with group winners playing each other in a final, whilst the runners up from each group played each other for third and fourth places honours.

The green team lost 2 matches and won 5. They scored 28 goals and had 4 scored against them. They missed coming fourth in their group by 1 point – a great effort from them.

The orange team won all 7 of their matches scoring 26 goals with none scored against them. They won their group and played Milton Mount in the final which they won 1-0. They got gold medals and will now represent Crawley at the county finals along with Milton Mount.

All twelve of our players, without exception gave 100% effort showing great determination and resilience. They worked hard for each other, showing good communication skills, great support for one another and demonstrating fantastic teamwork.

I was so proud of all the children who not only played well but also behaved impeccably and were very respectful to all officials.

Many thanks to all staff, parents, carers and especially Mrs Peppard and Mrs Marsh for all support.'

(Ann Westgate)
