

Ensemble Reza Visit

We are delighted to welcome the Ensemble Reza string orchestra back to OLQOH on **Friday 13th February 2026**. They will be performing their brand new children's piece, *The Elves' Porridge*, for the whole school.

This promises to be a wonderful enrichment experience and a fantastic opportunity for our pupils to enjoy high quality live music.

To help support this event, we kindly ask for a **voluntary contribution of £2 per child**, which can be paid via Parentmail. With thanks for your continued support.

eSafety Day 11/2/26

On eSafety Day, our focus will be on empowering students to stay safe online and use technology responsibly. Lessons will begin with discussions about the importance of protecting personal information, recognising online risks, and understanding how to report inappropriate content. We will explore strategies for creating strong passwords, avoiding scams, and maintaining respectful digital communication.

A key theme this year is **responsible use of AI**. Students will learn how AI tools can support learning while emphasizing ethical considerations, such as avoiding plagiarism, verifying information accuracy, and respecting privacy. Practical activities will include evaluating AI-generated content for reliability and discussing scenarios where AI should not replace human judgment.

We are also planning a **Parent Workshop** to share tips and resources for supporting children's online safety at home. For more information, please email Miss Goodman, our Computing Leader, at agoodman@olqoh.com

To help support this event, we kindly ask for a **voluntary contribution of £2 per child**, which can be paid via ParentMail.

With thanks for your continued support.
