

Year 5&6 Basketball Festival

Match Report

'On Wednesday 5th June OLQOH attended a basketball festival at St Wilfrid's school, taking a mixed team from Y5&6.

The event was Storm Basketball Club and young leaders from St Wilfrid's.

There were 3 main activities set up to develop the children's skills, including dodging & marking, shooting and dribbling.

The children were then split from their own school and mixed with pupils from other schools present. They were put into teams of 3 with the objective being that the children would mix with each other and develop new friendships.

Each team played 4 friendly matches with all of the children working really well at communicating and encouraging each other.

Highlights for OLQOH included:

Beau, who communicated very well with the rest of his team, encouraging, supporting and making sure everyone was included, and Noah, who played exceptionally well, marking, attacking and showing great determination to do well.

The afternoon was a huge success and I was very proud of the efforts our children made to listen, learn and get to know children from other settings.

Many thanks to staff and parents for all support.' **Ann Westgate**

- 23/7/24
- Mass at 9.30am
- Y6 Leavers Video at 2.20pm
- Clapping out from 2.50pm
- Ice Cream Van onsite

Photographers on site.

Ice cream van onsite.

Coffee bar onsite.

BBQ on site (thanks to Ifield Scouts).

Thanks to Miss Johnson, Mrs Westgate and Mrs Ward for making Sports Day possible, and for the support of Y6 throughout the day!

Well done!

Huge congratulations to Y6 children, Parents & Carers, and the whole OLQOH Team for achieving such brilliant SATs results (results were published earlier this week).

We are immensely proud of all of the pupils in Y6. And whilst their academic success this year provides a real sense of pride in what our school does, we take more pleasure in seeing the well rounded, kind, resilient, loving and good people these young people have grown in to. Your secondary schools are lucky to be having you.
