

Whole School Half Term Homework

Set: Friday 13th February Due: Friday 27th February

How to be a good steward and look after God's world

One of our Catholic Social Teaching aspects is STEWARDSHIP. This means looking after the world God has created for us. The School Council and RE Council are focusing on how we can look after our school environment and not cause waste.

Examples:

- Turn off lights and screens when not in use
- Recycle
- Turn off the tap

Your challenge is to take a photo of good stewardship at home and in the local environment. Please print or email photos to lkluge@olqoh.com.

Please include a sentence explaining how your act demonstrates stewardship. Remember to include your name and class!

A prize for each year group will be awarded.
