

Dispatches from Our Lady's

MATCH REPORT

'On Thursday 2nd May, five boys and girls from years 3 and 4 attended a tri golf competition at Cottesmore Golf Club.

The event was run by young leaders from St Wilfrid's School.

There were 10 different golfing activities to rotate around, where points were achieved for a variety of challenges.

The activities covered included driving, putting, chipping and medium range hitting. There was also a rest station so that the children could have drinks and snacks as required.

The children all listened very well to instructions, concentrated, and worked with energy and enthusiasm. They were very well behaved and were polite and respectful to all of the organisers.

For some children this was the first time they had played any golf and I was very impressed with their attitude and effort.

OLQOH came 3rd out of 10 schools, winning the bronze medal prize.

Many thanks to OLQOH staff and parents for all of their support.'
