

As you know, all children in Reception, Year 1 and Year 2, are entitled to a free school meals regardless of household income.

This is paid for by WSCC and OLQOH.

We have recently noticed a trend whereby meals are being ordered but not taken i.e. children have a hot dinner booked but bring a packed lunch to school..

We understand that things change and on occasions there will be good reason for this, but to avoid waste and to save money, please only book meals you intend to take up. And on occasions where your child is booked in for a hot meal but you decide to send a packed lunch instead, please let the School Office know by 10am (office@olqoh.com) so we can run lunchtime service as efficiently as possible.

**Good luck!
Seize the day and
give it everything

MATCH REPORT

'On Thursday 25th April, eight Y3&4 girls attended a football festival at Ifield Community College run by young leaders.

There were 11 schools present, spilt into 8 groups. The young leaders set up seven activities with one rest station. The children rotated around the activities with one group resting at a time.

The children practised dribbling, passing, overhead throwing, shooting, attacking, defending and marking.

After the activities were completed, the children then played friendly matches to learn a little more about match rules, and to put their practice into action.

Our girls all worked really hard with lots energy and enthusiasm. They listened well, behaved impeccably and showed respect for the young leaders and referees.

They thoroughly enjoyed the matches, tried really hard to mark and scored several goals.

I was very proud of them all.

Many thanks to OLQOH staff and parents for all of their support.' (Ann Westgate)
