Coming soon...

...details of Discovery Week 2024 (£12.50 per pupil, please).

Long planned building works to the front of the school will commence in June.

The works, using monies accrued by Governors over many years, are designed to create some additional teaching spaces for groups and interventions, as well as to improve our Office facilities.

Works are expected to last around 18 weeks, up to October half-term.

During building works, a temporary school Office is being set up on the small Playground (used by EYFS & KS1).

Please do bear with us during works, but be assured we will do all we can to minimise disruption.

If anyone has any questions or queries re works, please do come to see Mr Melia.
