

Dispatches from Our Lady's

Booking details now on ParentMail for Monday 30th and Tuesday 31st March, with children in EYFS - Y5 eligible to attend.

Year 6 Pupils may also attend OLQOH on these dates for Easter School. Details from the Office Team.

To all of those who will be marking the Holy Month of Ramadan, which closely aligns with Lent this year, and begins over the half-term break, Ramadan Mubarak.

In line with guidance from the Muslim council of Britain, a reminder that fasting for primary aged children is not encouraged, please.

With thanks for your ongoing support; may Ramadan fill you with peace, harmony, and joy.

'On Monday 26th January we took 2 teams to a boy's friendly football event at K2

There were 24 teams present and both of our teams played 6 matches each. There were 6 pitches set up and it was wonderful to see so many children taking part in football matches all at the same time.

The games were played as friendlies without recording scores. This was an opportunity for the boys to enjoy lots of football in a non-pressured situation, enabling them to play freely without having to worry about the outcome.

The boys all worked really hard, supporting each other, encouraging each other and playing with lots of effort and stamina.

The boys were delighted to be wearing the school kit and they represented themselves and our school very well – I was really proud of them all.

Many thanks to staff, parents/carers for all support.' (Ann Westgate)

Pre Loved Uniform Sale from 2.45pm on Friday 13th February

Items will be outside of school with donations ahead of time welcome. With thanks for your ongoing support.

A reminder that Children should not bring mobile phones to school unless they need one to travel to or from school independently. This therefore only applies to some pupils in Y5&6.

Where a phone is brought to school, we ask that it is switched off at the school gate, placed into the classroom basket immediately on arrival and remains unused throughout the school day. Phones should only be switched back on once your child has left the school gates at home time.

As a school, we are also proud to support the Smartphone Free Childhood statement of intent, recognising the importance of protecting children's wellbeing, focus, and development during the school day. We appreciate your support in reinforcing these expectations with your child.

NEXT WEEK...
