Cricket Festival Report Year 4

'On Wednesday 6th March OLQOH attended a cricket festival at K2 for Y4 children.

There were 8 schools present and the festival was run by Sussex Cricket.

The children worked in groups and rotated around various cricket based activities.

The activities included underarm throwing, overarm throwing, aiming at targets, catching, batting and fitness/agility exercises. After completing each skill the children had a ten minute break.

The children then played matches for the last hour learning more about batting bowling and fielding. All children had the opportunity to bowl when fielding. The children batted in pairs when batting. The matches were for practice only so no scores were kept.

Our children all worked really hard at each activity with lots of energy and determination. They encouraged each other and showed some good teamwork skills to get wickets.

The children all behaved well, enjoyed the festival and are very keen to play cricket again.

Many thanks to OLQOH staff and parents for all support.' (Ann Westgate)

Girls Football Festival Report

'On Friday 8th March seven Y4 girls attended a football festival at St Wilfrid's School.

The afternoon was organised with several activities for the children to rotate around. Each activity was organised by a leader from St Wilfrid's.

The children worked in groups rotating around skills based activities including dribbling, passing, shooting, dodging & marking, and work on fitness.

The children all worked really hard at each activity behaving impeccably and embracing each task with lots of energy and enthusiasm.

After the skills activities the girls were then mixed together to make up teams playing alongside children from other schools. The young leaders organised and refereed the games explaining the rules to the children.

The girls all had a great time, working hard and putting a lot of effort into the activities. I was very impressed by their confidence and their behaviour, which brought lots of energy and team spirit to the afternoon.

Many thanks to OLQOH staff and parents for their support.' (Ann Westgate)
