## Match Report (Boys PLPS Cup Tournament)

### Ann Westgate writes...

'On Friday 19<sup>th</sup> January OLQOH took a boys Y5&6 football team to the Premier League Primary Stars football tournament.

There were two groups with 6 teams in each, with each team playing each other. The top two teams from each group then went on to play semi-finals then finals. The third, fourth, fifth and sixth in the groups played penalty shoot outs to determine overall placings.

We were slow to settle and lost our first game of the afternoon 0-1, but then settled very well with some good focus, communication, determination and 100% effort from all the boys.

We won the next four games beating the two favourites of the day, Maidenbower and Pound Hill, meaning we came top in our group, going on to play Desmond Anderson in the semi-final.

The boys fought well after going 0-1 down to bring the score back to 1-1. We were very unlucky when a penalty was awarded to Desmond Anderson very close to the full time whistle and despite a very good effort we were unable to equalise in the time remaining and lost the game 1-2. The winning team on the day was Pound Hill.

We then took part in a penalty shoot-out against the other losing semi-finalist, The Gatwick School. We beat them by 1 goal and therefore came third overall in the tournament.

I was so proud of the boys, they are really coming together as a team, all working very hard for each other. We had some exceptional goal keeping from Tommy Marsh.

Many thanks as always to our wonderful staff and parents for all their support.'
